To: "SBOE\_Grp - Directors.BOE" <Directors.boe@ncsbe.gov>

Directors,

Many of you experienced issues with humidity today and properly had voters deposit their ballots into the emergency bin if the tabulator was not accepting their ballot. At the close of polls, if your tabulator will accept the ballots, please make sure the public is allowed to watch that process.

Any questions, we are here and ready to assist.

Good luck,

Kim
